

The Leadership Accelerator Program (LEAP)

Leadership Luncheon Series

June 2010-January 2011

Our Leadership Luncheon Series will include three programs with each one focusing on a key aspect of our LEAP program. The luncheons will be sponsored by two outstanding companies, CVS Caremark and The TJX Companies, Inc., who are both committed to the importance of developing leaders within their organizations, community and industry. There will be a selected roster of speakers at each luncheon including a prominent leader in the business community and LEAP participants speaking on the power of mentoring and being mentored. We encourage you to sign up for the series and invite the aspiring leaders in your own organization to join us in learning how they can develop their own brand of leading through self-discovery and self-trust. The series will be held at the Doubletree Guest Suites in Waltham.
